Progress of PMGSY and IAY

1394. SHRI K. RAMA MOHANA RAO: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the progress made under the Pradhan Mantri Gram Sadak Yojana and the Indira Awas Yojana till date; and

(b) by when all the rural areas would be covered with proper roads, housing and drinking water facilities?

THE MINISTER OF RURAL DEVELOPMENT (SHRI RAGHUVANSH PRASAD SINGH): (a) From 2000-01 to 2004-05, 35,580 road works costing Rs.14,944.92 crore have been cleared to date under the Pradhan Mantri Gram Sadak Yojana. An amount of Rs.10,106.99 crore has been released against the sanctioned works. States have reported that 22,786 road works have been completed and an expenditure of Rs.7,737.69 crore has been incurred up to Oct. 2004.

In so far as Indira Awas Yojana is concerned, the total allocation including State share to all the States/UTs Administration, is Rs.22,560 crore, out of which, approximately, an amount of Rs.21,470 crore has been released for construction of 1,38,87,933 houses since inception of the Scheme. So, far, 1,18,91,356 houses have been constructed/upgraded.

(b) Rural roads, rural housing and drinking water are State Subjects, and also Panchayat Subjects as per the Eleventh Schedule to the Constitution. Central funding supplements State efforts. The coverage of rural areas with proper roads, housing and drinking water facilities depends on overall availability of resources.

More funds to Orissa under PMGSY

1395. MS. PRAMILA BOHIDAR: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that the performance of the State Government of Orissa under the rural connectivity programme (Pradhan Mantri Gram Sadak Yojana) is excellent, and that State has been ranked second in terms of quality of the newly constructed roads, in the country;

(b) whether it is also a fact that the Centre propose to advance another amount of Rs.350 crores during the current fiscal under the above project; and

(c) if so, whether the Centre has since advanced the above amount, and if not, the time-frame within which it would be disbursed to the State Government?

THE MINISTER OF RURAL DEVELOPMENT (SHRI RAGHUVANSH PRASAD SINGH): (a) There is no system of relative ranking of States on the basis of performance or quality of construction of works under the Pradhan Mantri Gram Sadak Yojana (PMGSY). However, out of 1232 inspections carried by National Quality Monitors up to July 2004, in Orissa 1048 road works fall under the grading of 'satisfactory'.

(b) and (c) States are required to make proposals annually under the PMGSY, which are cleared by an Empowered Committee. The annual allocation of Orissa under PMGSY is Rs.175 crores. Funds are released depending on the progress made and expenditure
